

Pars BSI Scheduling Policy For Incoming Referrals

Appointment Type

When appointment date
will be provided to
referring doctor

Estimated timeframe for
referred patient to see
Pars BSI neurosurgeon

Urgent

Appointment will be
assigned same day

Patient will be seen on same or
next day (at Pars BSI doctor
discretion)

ASAP

* Pars BSI will assign
appointment within 1 week

Patient will be seen in 1-2 weeks
from date of referral (at Pars BSI
doctor discretion)

Normal

Pars BSI will assign
appointment within 1-2 days

Patient will be seen in 4-6 weeks
from date of referral

* For ASAP cases, our scheduling staff must first discuss the case directly with a Pars BSI neurosurgeon to ascertain an appropriate appointment date. This process requires additional time, but we will assign an appointment within 1 week, at Pars BSI doctor discretion.

For all scheduling related questions or concerns, please contact us at:
(304) 865-3600 and choose option 1
